

Davitt College Term Achievements - Term 2 – 2014/ 2015

Davitt College, Castlebar Student exceptional results in Junior Certificate German Examination

Meabh Murray, Davitt College, Castlebar Transition Year student performed exceptionally well in German in the Junior Certificate Examination 2014 and may now be eligible to apply for a free language course or scholarship programme offered by the Government of the Federal Republic of Germany in Summer 2015. Well done Meabh!

Davitt College, Castlebar in Regional Final of Junk Kouture Competition

Six Transition Year students have qualified for the Western Regional Final of Junk Kouture in March 2015. Junk Kouture is a national competition for second level students in Ireland and Northern Ireland which challenges teenagers to create high-end wearable fashion from everyday junk that would normally find its way into the bin. Best of luck to all! Students involved: Niamh Neyret, Aoife Halligan, Simona Fernandes, Emma Wright, Michelle McEllin and Ava Clarke.

Congratulations to Former Davitt College Student, Tom Murphy who recently received an academic Scholarship from Dublin City University based on his Leaving Certificate Results 2014.

Well done Tom!

G.M.I.T. Scholarship for Rachel

Congratulations to Rachel Corcoran, former Davitt College, Castlebar student who was awarded with a scholarship for her Degree Programme at G.M.I.T. Rachel received her award based on her excellent results in her Leaving Certificate 2014.

Science and Technology Week at Davitt College, Castlebar!

Students from Breaffy National School are intrigued as they are shown Static Electricity by Mr. Aaron Tonry, during Science & Technology Week at Davitt College, a four-day science and technology event for sixth class students from national schools in Castlebar and surrounding districts.

Students from Ballyheane National School analyse Fool's Gold with Ms. Andrea Silke O'Connor during Science & Technology Week at Davitt College. This was just one in a range of Science Experiments and Computer Programming events that took place over the four day science and technology event.

Boys from Derrywash National School examine plant cells during Science & Technology Week 2015 at Davitt College.

Mr. Niall O'Connor, ICT & Maths Teacher explains a computer program to students from Scoil Raifteiri, Castlebar during the Computer Programming Section of Science & Technology Week 2015 at Davitt College
